APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions.

This temporary permit to change the place of use of a portion of the waters of the Truckee and Carson Rivers as set forth in the Truckee and Carson River Final Decrees and under Permit 47852 which changed the place of use of a portion of the Newlands Reclamation Project rights in the Truckee and Carson River Final Decrees is issued subject to the terms and conditions imposed in said decrees and with the understanding that no other rights on the source will be affected by the change proposed herein.

This temporary permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this temporary permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This temporary permit does not authorize more than the decreed duty to be placed on the proposed place of use.

This temporary permit is issued pursuant to the provisions of NRS 533.345 Section 2 and will expire on **November 15, 2003** at which time all rights herein granted shall revert to the right being changed by this temporary permit.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 29.40 acre-feet as decreed.

Work must be prosecuted with reasonable diligence and be completed on or before:

Proof of completion of work shall be filed before:

Water must be placed to beneficial use on or before:

Proof of the application of water to beneficial use shall be filed on or before:

Map in support of proof of beneficial use shall be filed on or before:
